Introduction to Twitter Bootstrap

PRACTICE QUIZ

Optional Practice Quiz

3 questions

To Pass

100% or higher

Deadline

April 23, 11:59 PM PDT

Start

Optional Practice Quiz

Practice Quiz, 3 questions

1
point

1. Most responsive frameworks use a 12-grid layout

- ☐ True
- ☐ False

1
point

2. To have a 12-grid layout means that 1 cell in that grid has width: 8.33% (100 / 12)

- ☐ True
- ☐ False

1
point

3. The following meta tag:

```
1 <meta name="viewport" content="width=device-width, initial-scale=1">
```

Tells the browser to consider the width of the device as the real width of the screen and set its zoom level to 1, i.e., 100%, so it's not zoomed in or zoomed out.

- ☐ True
- ☐ False

Optional Practice Quiz

Practice Quiz, 3 questions

3/3 points (100%)

Congratulations! You passed!
